LAT/LONG: 43.614321,-116.2247446

A favorite with local birders, this park features a convenient in-town location, lush landscaping, some shallow ponds, and 100+ bird species throughout the year. Look for Wood Duck, Hooded Merganser, and Belted Kingfisher. During winter, Hermit and Varied Thrush as well as Bohemian Waxwing can be seen.
